# You've made the Right Move

## About Us

We believe what we do is not simply a matter of moving your stuff - it is a matter of moving your life. With over 8 years in the business, we have become the preferred moving company in the Southern Suburbs. We pride ourselves in providing a professional, reliable service with our experienced team. We aim to provide fast quotes, with communication, while making moving fun and easy for you.

Moving with Metro Movers promises to make life easier; you can count on us to guide you through the entire process, door to door.

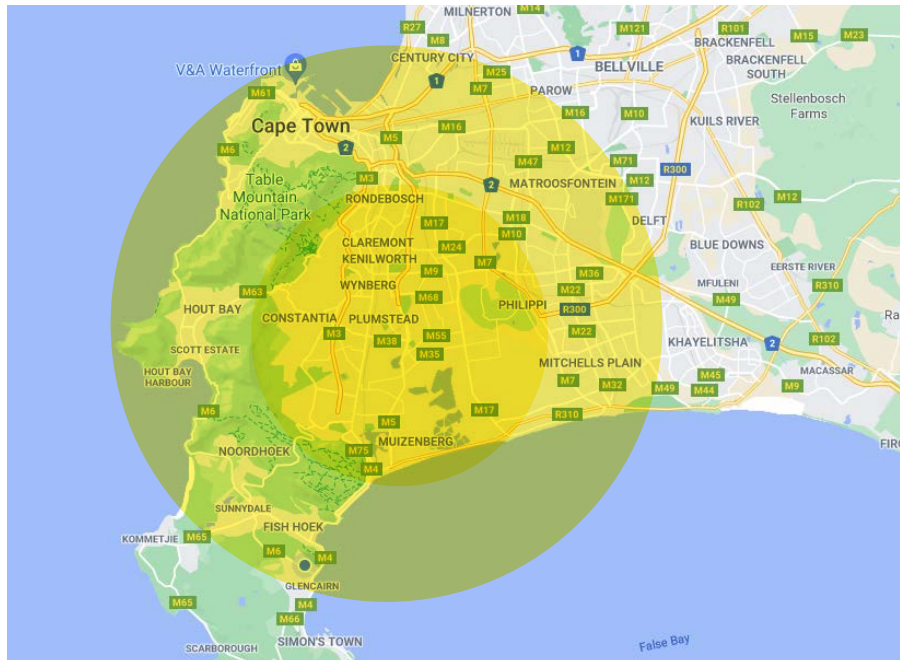

Furniture removals, office removals, home moves and much more.

## Why Choose Us?

We hire only reliable, uniformed, and professional movers in Cape Town. All movers have passed stringent background checks. We always have a friendly coordinator that keeps you informed throughout the process from quote to final delivery of your goods to ensure that we provide constant communication and support on your move whilst helping you put your mind to ease. Our certified moving consultants and trained professional movers are ready to react to any unanticipated service requests. We prioritise conducting routine vehicle maintenance to ensure that our customer's furniture is safe and arrives on time.

## Why Local Moves?

We specialise in local household removals and office moves in the Southern Suburbs. By keeping it local, we are able to offer competitive prices for local moves.

## Services

### HOME MOVES

We know that it is not just moving boxes but moving a home, which is an exciting new start so let us make it an easy, stress-move for you.

### COMMERCIAL MOVES

For businesses that are moving offices or facilities, we have a fleet of vehicles ready to help you to get setup in your new premises quickly.

### STORAGE

We also offer a unique assisted storage solution where you can place items in our storage boxes. These boxes are stored at our secure indoor facility until you need to access your goods again.

### PACKAGING

We have got all the supplies for your comfortable move: from boxes, bubble wrap and tape, we have your move sorted.
